Certification Fee Schedule

Application Fee	$300 flat fee	- Company verification, Company Product Application Setup, Dashboard for future updates.	Company application fee plus setup in database, network, Registration info.
Product Verification Fees	$100 per product* Product Qty's over 15 will be estimated on case by case basis, after receipt of online application.	- For products with up to 7 parts per product. All parts supplier sources are listed, AMCo will verify source suppliers and register supplier in database, assign Supplier # as verified.	Products with over 7 parts will require addl $30 for *each part/source/supplier to be verified. IF products are comprised of 75% same parts, Part Verification Fee's will apply for addl. verification
Parts Verification Fees	$30 per additional part/supplier/resource	- For each part over the included qty per product, the cost is $30 per part/supplier/resource. Example: Product has 10 parts, Cost = $100 (7 parts)+ $90 for additional 3 part verification.	THERE is a $10 fee for any part/supplier/resource fee for any source who is already AMCo CERTIFIED
Notary Fees – Traveling	$85 for in network area – Travel costs for outside of area	- Traveling Notary will come to your facility to review documents, take picture of facility and upload documents for AMCo completion of Registration and Issuance of Certificate.	The Notary fees are the direct expense of the Company seeking Certification. If you are in an outlying area, travel costs must be calculated.
New Supplier Discount	-10% Discount	In the event that a *Supplier is not already listed in our database, and you have submitted them for verification, you will receive a 10% discount on your Application Fees.	Yes, you get a discount for having new factories/suppliers/resources submit their information for certification.
